

Cookie Policy

Effective Date: 7/25/25

This Cookie Policy explains how CTBids ("we", "us", and "our") uses cookies and similar technologies to recognize you when you visit our website at ctbids.com. It explains what these technologies are and why we use them, as well as your rights to control our use of them.

1. What Are Cookies?

Cookies are small data files that are placed on your computer or mobile device when you visit a website. Cookies are widely used by website owners to make their websites work, or to work more efficiently, as well as to provide reporting information.

Cookies set by the website owner (in this case, CTBids) are called "first-party cookies." Cookies set by parties other than the website owner are called "third-party cookies." Third-party cookies enable third-party features or functionality to be provided on or through the website (e.g., advertising, analytics, and interactive content).

2. Why Do We Use Cookies?

We use first-party and third-party cookies for several reasons. Some cookies are required for technical reasons for our website to operate, and we refer to these as "essential" or "strictly necessary" cookies. Other cookies also enable us to track and target the interests of our users to enhance the experience on our website. Third parties serve cookies through our website for analytics and other purposes. This is described in more detail below.

3. Types of Cookies We Use

- **Essential Cookies**
These cookies are strictly necessary to provide you with services available through our website and to use some of its features, such as access to secure areas.
- **Performance and Analytics Cookies**
These cookies collect information that is used either in aggregate form to help us understand how our website is being used or how effective our marketing campaigns are.
- **Functionality Cookies**
These cookies allow the Website to remember choices you make (such as your language or region) and provide enhanced features.
- **Targeting/Advertising Cookies**
These cookies are used to make advertising messages more relevant to you and your interests. They also perform functions like preventing the same ad from continuously reappearing.

4. How Can You Control Cookies?

You have the right to decide whether to accept or reject cookies. You can exercise your cookie preferences by clicking the “cookie settings” link on our banner or modifying your browser settings.

Please note that if you choose to refuse cookies, you may still use our website though your access to some functionality and areas of our website may be restricted.

5. Changes to This Policy

We may update this Cookie Policy from time to time to reflect changes to the cookies we use or for other operational, legal, or regulatory reasons. Please revisit this Cookie Policy regularly to stay informed about our use of cookies.
